

Sunrise Scribble

Enrollment for 2020-2021

It's that time of year again for re-enrollment for our current families.

This year we will be holding Open House events for children and families. Our first event will be on January 27th with a Lunar New Year theme. We will have activities planned, refreshments available, and information stations for families. Re-enrollment packets will be made available at the open house.

HOT LUNCH

We are pursuing a hot lunch option for next year. We wish to poll our families to see the level of interest. A box will be at the front desk for parent comments.

Did you know Sunrise has a store?

And it's OPEN!

Families are welcome to purchase Sunrise merchandise through our online store. We are offering a variety of adult and youth items. You can find sweatshirts, fleece jackets, vests, fleece hats, and hoodies.

Sunrise will receive a small portion of the proceeds. More importantly we want you to show your Sunrise Pride and Spirit.

RSEC is busy working on several projects to better the agency and the students we serve. As many of you are aware, we continue to work towards compliance with NH1612, which involved the implementation of all new computers at Sunrise. We will also be upgrading our Brightwheel app for parents to garner more information about their child.

Our team leaders have met with Cookson Communications and have a plan for marketing. This will include a new tour packet and hosting a variety of Open House events.

The agency and our team leaders will be at the Chamber After Hours on Jan. 15 at Hampshire Hills. Stop by and say "Hi".

PARENT AND TEACHER PARENTING CLASS AND TRAINING

"CAN MR. ROGER'S SAVE US IN THE HIGH TECH TIME WITH ANXIETY AND SOCIAL?"

As we move through our lives, burdened by the stress of modern society, the pace of constant agitation, and a seemingly barrage of bad news, we hunger for calm and reassurance. These powerful emotions are felt and seen by our young children today, as they too, face anxiety and stress. For more than thirty years, as a beloved fixture in American homes, Fred Rogers gave us what we needed. Warm and welcoming, he spoke directly to children and their parents about the tiny marvels of the world around them, the things that caused them worry, and the daily miracles that brought them joy, and above all, the importance of being themselves.

At Sunrise we will be developing a 2-part training for staff and families to explore and learn how Mr. Rogers can still change the world. Dates and times will be announced once the project is ready.
