

Sunrise Scribble

Sunrise is OPEN

We are here for all families with essential jobs that need care!

We have implemented several health and safety procedures and protocols for entering and being in the building. We ask all families to help us by following these guidelines for everyone's welfare. Our cleaning company is also doing a nightly deep clean with Pur-Tabs which are designed to kill most viruses.

COMMUNICATIONS

We are working to provide information to families in several ways.

New information is being posted daily on the [RSEC.org](https://www.rsec.org) website and Facebook page.

ZOOM

We will continue to hold classroom Zoom calls at least bi-weekly. Our PreK teachers are working individually with families to continue the curriculum.

TUITION

We are not charging families during this crisis who are not in attendance. **Please note our fiscal year begins in June and rate increases will go into effect June 15th.**

Mother's Day Drive By Team

Please join us on Friday, May 8th at 4:00. We will have goodies for our Hero Mothers. Families are welcome to decorate their cars, bring signs, noise makers- anything to show their Sunrise Spirit.

Vroom

Vroom is a great resource with tips and ideas for parents. We encourage our parents to sign up for this app.

Summer Program

Although we may not know now what the summer will look like, we are still preparing for our families to return to Sunrise.

Families will receive a survey next week indicating your intentions for attending our summer program. We are asking that families return this survey by May 22nd. We certainly realize that we may not have all information from the Governor on his state of re-opening and lifting the stay at home order set for May 31st. However, we want to be prepared for our students to return and take part in the summer program.

We have several themes and activities set for our kiddos.

June 15th: Summer Fun Kick Off

Lots of outside sensory activities and special summer snacks. Outside projector movie will feature "Onward".

June 22th: Around the World in 5 Days

We will visit various countries around the world and explore their customs and food.

June 29th: Party in the USA

We will again have our Fourth of July neighborhood parade.

July 6th: Disney Week

We will dress as our favorite Disney characters, act out our favorite movies, and sing our favorite songs.

July 13th: The Great Outdoors

We will explore the great outdoors with camping tents, lanterns, and outside snacks.

July 20th: Pirates

We will explore the 7 seas, hunt for treasure, and do our best to become scurvy pirates for the week.

July 27th: Sports and Games

Let the games begin. We will take part in various games and have visiting coaches to teach us some new sports and skills.

August 3rd: Water Week

It will be a wet and fun week. We will even have a car wash for our play cars in the back playground.

August 10th: Construction Week

We will build, construct, and explore all week. We even have plans for a special visit to see some construction vehicles.

PREKINDERGARTEN GRADUATION

We are hoping to have our prekindergarten graduation on Friday, June 12th. We are making plans to ensure we will be able to social distance with families attending. It's important that the children are able to celebrate this milestone. Information will be forthcoming as we make modified plans for the health and safety of all our families and children.
