

Thanksgiving Festivities

Many classrooms will be celebrating Thanksgiving on Wednesday, Nov. 27. Please check your child's classroom for details and sign-up sheets.

Please remember Sunrise will be closed on Thursday and Friday, November 28th and 29th, for the Thanksgiving Holiday.

Combating the Cold and Flu Season

It is that time of year, cold and flu season. We encourage all families to get this year's flu shot. If your child has a fever, please let us know, and keep them home until they are fever free for 24 hours. We also ask that each child wash their hands upon entering the classroom before joining their friends and group.

Winter Clothing

Winter is fast approaching and we have already seen some cold air. Please remember we go outside everyday, in the morning and afternoon, unless there is inclement weather or a weather advisory. We ask that you make sure your child has a winter coat, hat, and mittens. Make sure all clothing is labeled so your child's things are not lost over the cold months.

Cocoa and Cookies with Santa

We are pleased to announce that this year we will be hosting **Cocoa & Cookies With Santa** on December 13th from 3:30 to 5:30. Santa will be able to visit every child and classroom. Families are encouraged and welcome to come, share in the cookies and take lots of photos. We look forward to starting this new tradition at Sunrise.

Sunrise Merchandise

Sunrise has teamed with a local vendor to offer Sunrise logo apparel. We will open an online store for staff and families and notify families when the store is open.

Closed for New Year's Day

Staff Updates

We would like to welcome back Ms. Abi who decided to take online courses while working for us full-time.

Please join me in welcoming Ms. Shainne in Room 5, Ms. Emma in Wing 2, and Ms. Mykaela in the afternoons.

We have a fantastic group of teachers with us at Sunrise

Sunrise Family Celebrations

Congratulations to the Gange family on the birth of their second boy. Chase is a proud brother.

Congratulations to the Brown family as well as they welcome a new addition.

STAFF RECOGNITION

RSEC Staff Recognition Dinner and Celebration

In October, the RSEC team joined together to celebrate our teachers and leaders in the field. Everyone had a delicious dinner and shared our highlights from the last year. This year Sunrise was able to nominate and honor three of our teachers for going "Above and Beyond". This award is given yearly to staff members that go above and beyond to practice their teaching skills, grow and develop as professionals. These teachers go the extra mile for the students and families in their care. Sunrise honored Molly Cummings in our infant room, Nara Cornell in our preschool classroom, and Clarice Davis in our preschool classroom. Please be sure to take a moment to congratulate these hard working professionals for a job well done.

Hot Lunch Option

We are interviewing two food companies and researching a few options for families to purchase a hot lunch for their children while at Sunrise. At the beginning of the new year, we will be sending out a parent survey about offering this option for families and welcome your input.

Updates and Reminders

- ~ Please make sure your tuition account does not fall behind more than two weeks.
- ~ Please make sure your child has spare clothing appropriate for the season.
- ~ Please remember our driveway is ONE WAY and to enter by the RSEC building. It is important that parents watch their speed while children are in the parking area.
- ~ Please send in appropriate winter clothing and label all belongings.
- ~ Please help us keep your child safe by washing hands when entering the classrooms.

Learning Begins Here

Building a Better Community for a Successful Future

Enrichment Programs

We are in the process of securing our enrichment program for January and looking into a tumbling group or Zumba. The cost for these programs will remain \$35 for the six weeks and will take place on Mondays, Tuesdays or Fridays.

New Computer NHHB1612

As we work towards compliance with the New Hampshire House Bill for Information Security, Sunrise will be installing new computers for our teachers and administration. Our software will not be changing, however, we will be upgrading our BrightWheel app for parents which will give us more functionality.

Playground

We were asked by our board of directors to prepare a presentation on the upgrading of our playground areas and will be looking at equipment, fencing, footing surfaces, and overall general landscaping. We will continue to keep parents aware of discussions and decisions.

Upcoming Re-enrollment

The re-enrollment process will begin late January for current families. Open enrollment will begin in March. There will be a rate increase of \$5/week for all full-day programs. Part day program rates have yet to be set. Re-registration for current families will remain at \$50. New families enrolling at Sunrise will have a \$75 registration fee. Look for packets to be sent home in January.
